- (1) Plans for Disabled - All companies must offer Plans A. If a company also offers Plan(s) B and/or C, then it must also offer the plan(s) to disabled Medicare beneficiaries. **However, Plan C is only available to disabled individuals who become eligible for Medicare prior to 1/1/20.**
- (2) Plans F and G also have a high deductible option which first require paying a deductible of **\$2,490 for 2022** before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, these plans credit your payment of the Medicare Part B deductible (but not the foreign travel deductible) towards meeting the plan high deductible.
- (3) The date a company's rate was approved is not necessarily the date the rate change will take effect. Check with the company for the effective date.
- (4) These are group plans that are available to group members enrolled in Medicare. Payment of a group membership fee is required.
- (5) Company also offers Plans A, F, HDF, K and N with dental and vision benefits for an additional monthly cost of \$13.25.
- (6) Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit. The Out-of-Pocket Limits for 2022 are \$6,620 for Plan L and \$3,310 for Plan L.
